

Creating My Story: My Journey to College and Career

- 1. What I learned about myself from things I have already accomplished...*
- 2. What I learned by listening to the stories of others...*
- 3. What I learned about life as a college student...*
- 4. What I learned about college requirements...*
- 5. The career I'm most interested in right now and why it interests me...*
- 6. I plan to use what I learned about myself and college by...*
